

I am a resident of the San Francisco Bay Area. I listen to 99.3 K-LOVE on a daily basis and am a financial supporter of this station because I believe it is a needed radio station in the Bay Area. If K-LOVE were displaced by an LPFM broadcaster providing other programming it would effect our local community because there are very few programs containing Christian programming and it would be a big loss to us. I believe K-LOVE serves this community well and it would be a great loss to us if this station were removed. Thank you.
